THE ELK'S MIDWAY

The "Girl With the Anburn Hair"—And Many Other Things to Be There.

HERE ARE SOME OF THEM

The Elks are Getting Arrangements Complete. Contracts Closed Every Day.

NEWS OF THE PADUCAH LODGE

The carnival arrangements are meeting with such success in every particular, that soon the committee will begin receiving the Midway and the "Girl With the Anburn Hair."

The main features of the Midway will be:

- Street of India.
- Street of Cairo, Oriental theatre in this street.
- Possion Plastique, and Victims of the Hoax.
- Electrical theatre.
- Moving pictures of the world's greatest events.
- Congress of national dancing girls.
- The trained wild animal show, said to be superior to anything of its kind ever seen.

- Bowen, the snake eater.
- The German village.
- Perris wheel.
- Lumette, the flying lady.
- The Electric Fountain.
- Backman's glass works.
- Mennie, the wild girl.
- Illusion show—Pharo's daughter.
- A Filipino minstrelsy.
- Joe Grimes, the German fat boy.
- Phillon's act will probably be one of the best of the attractions.

There will be a display of fireworks at the close of all of Phillon's performances.

The Thompsons, in their high dive, will be on the streets of India.

The electric fountain is something that Paducah Elks are very fortunate in securing, as it is never brought to a city the size of Paducah. It is the same fountain used at the Omaha exposition.

Manager J. J. Conley, who has things in excellent shape, leaves Sunday to be absent a week. His able co-worker, Mr. Al C. Atkins, will have charge of things during his absence.

The committee has closed a contract with the Street Car company for 2,000 incandescent and 50 arc lights. Six hundred lights will be used by Phillon and the Thompsons, who dive 35 feet into a tank of water four feet deep.

The music contracts will probably be let this week. Dean's band will be the principal one here.

Those who will have accommodations for visitors should as soon as possible communicate with the bureau of information at Elks headquarters.

The advertising matter that is being sent out is almost past belief. It is being sent in large quantities to the neighboring cities, and judging from what the traveling men say, everybody is coming.

Chairman S. A. Fowler, of the transportation committee, announces that a rate of one fare for the round trip has been secured for the following: Owensboro, Henderson, Hopkinsville, Central City and intermediate places, Dyersburg and all intermediate cities, Paducahville, Ill., and all intermediate cities. More definite announcements will be made later.

The police committee, on which are Marshal Collins and Captain Henry Bailey, is taking precautions to prevent any crooks from coming here or remaining here during the carnival. They will have a detective here from St. Louis, Louisville, Memphis and Nashville, and several suspicious or disreputable characters now in the city will be ordered to leave before the carnival opens. The police are determined that no crooks of any description shall be here during the festivities.

The Elks are to have as a visitor during the carnival the distinguished exalted ruler of Louisville lodge, Mr. Fitzgerald, and quite a reception will probably be given in his honor. Mr. Fitzgerald is one of Kentucky's most brilliant orators, as well as a most gifted Elks.

The Elks received eight new applications for membership last night. If Louisville doesn't hurry Paducah lodge will soon be the largest in Kentucky.

A large number of Elks, by special invitation of the Messrs. Hoerber, who are members of Paducah lodge, attended the opening of the new brewery last night, and were royally

COURT NEWS

Secretary A. C. Atkins is still quite ill, but is able to get around and look after carnival business.

Paducah lodge last night received a visit from the Innuendo-haired brother, Mr. W. L. Sarrau, of Middlesboro.

Since Superintendent M. U. allene was roadmaster of this division of the Illinois Central he has become an Elk, and is a member of Freeport, Ill., lodge. Former Superintendent Harahan is a member of Paducah lodge.

ARGUMENTS AT FRANKFORT

The Kentucky Judgeship is Said to Be Settled—Latest Advice From Pekin.

EVERYTHING LIFTED IN ENGLAND

Saloon, Ky., April 19.—Three hundred Indiana miners marched through backwater two miles, to town this morning. They were met at the outskirts by the sheriff with 40 deputies, and warned to disperse or be arrested on a charge of intimidation. They all marched back to the boat, and it is believed will return home.

SPEECHES OVER

Frankfort, April 19.—Judge O'Neal today made the closing argument for the defense in the Ripley case. He said in his speech that Ripley doubtless talked too much, but that there was nothing to show him guilty of conspiracy, or of having any guilty knowledge of any conspiracy.

Franklin this afternoon closes for the commonwealth.

EXPEDITION ABANDONED

Pekin, April 19.—An Imperial decree orders the Chinese troops back from Hsin Lan, and the big expedition is abandoned.

KENTUCKY JUDGESHIP

Washington, April 19.—It now seems settled that Cochran gets the new Kentucky judgeship, Tinsley the attorneyship, and Sharpe the marshalship.

EVERYTHING GOES UP

London, April 19.—Coal exporters in England say they will be ruined by the duty just added to increase the government revenues. The price of sugar, pecorinas and many other things was raised today.

PROMINENT VISITORS.

JUDGE BENSON WOODS EXPECTED TOMORROW EN ROUTE TO SHILOH

Judge Benson Woods, of Chicago, a member of the Shiloh battlefield commission, will arrive tomorrow evening by rail, with seven others, en route to Shiloh.

They will leave in the evening on the Tennessee for the park, to be absent for several days.

The others in the party are: Gen. John McArthur, Major Theo. Mason, Capt. G. A. Harris, Hon. Carlisle Mason and Mrs. Chas. Mackie.

WILL GO TO HOPKINSVILLE

Mr. G. U. Leisner Was Tried for Lunacy and Adjudged Insane.

One Conviction in the Circuit Court, John Foster Getting Two Years Today.

THE POLICE COURT PROCEEDINGS

Mr. G. U. Leisner, the well known grocer, was adjudged insane this morning in the circuit court. He will be taken to the Hopkinsville asylum tomorrow at noon by Messrs. Sam Everts and Jesse Potter. Mr. Leisner passed a very bad night and could hardly be quieted for trial. He was told that he would be taken to the springs, that being the only way to get him to quietly accompany his guards.

Mr. Leisner, it will be remembered, first showed symptoms of derangement Monday morning as a result of a fine assessed against him in circuit court.

In the suit for debt cases against the Buckskin Hill show the defendants were given until the first day in the next civil term of court to file answers and not done by that time the cases will go to trial.

John Foster, colored, charged with maliciously cutting Wallace Strickland, colored, pleaded guilty and was given two years.

The case against Wm. Van Dyke, charged with stealing \$35 from Mrs. Catharine Birch, has been on trial all day.

The grand jury this morning reported several indictments for various offenses, but none of unusual importance. The grand jury will adjourn tomorrow, after having done a vast amount of work. It has been a remarkably good grand jury, taking a practical, common sense view of every case, and throwing those out and releasing the prisoners where the witnesses could not be found. Every indictment was unanimous, and there was never the least wrangling in the jury room.

The grand jury will not take any action in the impure meat case. It is still investigating the shooting of Albert Winfrey, however.

Frank Davis and John Farrell, charged with grand larceny, were released by the grand jury, the witnesses not appearing. While it will finish up tomorrow, it could find plenty to do for several days longer.

Henry Reed, colored, who cut Alice Williams, alias "Inky Dina," was given two years. The woman has also been convicted at this term and given two years for housebreaking.

Erin Bradshaw, a colored boy charged with breaking into Judge Tully's stable, was given thirty days in jail. His brother, Erin, was released.

The motion to transfer the case of F. G. Randolph, administrator of Pink Underwood, against the Illinois Central to the United States court, was overruled by Judge Berry.

DEATH AT MURRAY

Mr. W. P. Gatlin, the Ex-Banker, Succumbs to a Long Illness.

PROMINENT CALLOWAY MAN

He Had Resided in Kentucky for Many Years and Was Well Known in the State.

Funeral tomorrow at ten o'clock.

Mr. William P. Gatlin, the ex-banker of Murray, Calloway county, died this morning about 8 o'clock at his home in Murray, after a long illness, removing one of Southwest Kentucky's best known and most prominent men.

Mr. Gatlin suffered a stroke of paralysis about a year ago, from which he never recovered, having a second stroke a month ago. For the past several days death had been expected at any time.

Mr. Gatlin was born at Iron Mountain Furnace, Tennessee, June 8, 1850, and was the son of Mr. Geo. W. Gatlin, who distinguished himself as captain of a company in the Fifteenth Tennessee during the Civil war.

He was one of seven children, and early in life moved to Kentucky. He began life as clerk in a retail store, and in 1870, seven and a half months afterwards, entered business for himself at Murray. By his energy, industry and business sagacity he built up a lucrative business, and became a prominent citizen of the town, and a power in Democratic politics.

He was married in 1883 to Miss Emma Oury, of Murray, and there were born to them a son and daughter, who with their mother, are left to mourn his death.

Mr. Gatlin had in late years engaged

MANAGER ENGLISH.

The New York Mirror commends him this WEEK.

The New York Mirror of this week has a fine picture of Mr. J. E. English, of Paducah, manager of "The Kentucky," with the following notice, some of which will no doubt be news to Paducahans:

"Readers of the Mirror have been informed that the Kentucky, the new ground floor theater at Paducah, Ky., is in course of construction at a cost of \$40,000. A five years' lease of this handsome playhouse has been taken by James E. English and Ollie Mack, of Murray and Mack. Mr. English, who will personally manage the house, is the sole owner of the Murray and Mack company, starring Murray and Mack in the musical extravaganza, Shooting the Chutes. There is no reason why the Kentucky should not do capacity business at every performance. Paducah has not had a theater in two years, the old house having been destroyed by fire. Mr. English is at present in this city with office at 1410 Broadway, and is rapidly looking attractions. Mr. Mack will be in New York as soon as his road season closes."

A picture of Mr. Mack accompanies that of Mr. English.

Mr. Mack, it may also be of interest to know, was after the La Bolla

STATE DRUMMERS.

THE T. P. A. CONVENTION MEETS TOMORROW AT LOUISVILLE.

Kentucky drummers are gathering in great numbers at Louisville to attend the state Travelers' Protective Association convention, which meets tomorrow and lasts only one day.

The following party from Paducah left today at noon to attend the convention. Messrs. Louis F. Kolb, Harry Linkens, Henry Potter, Finis Lack, Ernest Lackey, Roy McKinney, Harry Hank, Andy Banoer, Charlie Leake, Gene Gleaves, G. and H. Gledry, Will Clark, Jim Robertson, Geo. O. Hart, and Mr. Jerry Porter, of Clinton. Dr. R. S. Coleman was also on the list but was called to Morray this morning by the death of Mr. W. P. Gatlin.

MYSTERIOUS FIND.

A WATCH AND CHAIN STOLEN FROM MR. DAVIS RECOVERED.

Mr. W. A. Davis, the well known lumber man, missed his gold watch and chain about one month ago. Yesterday Bill Simpson, a well known colored character who works about the river, found the watch and chain in the river near the sewerage outlet, and turned it over to Marshal Collins. It seems the impression intended to be conveyed is that the watch was dropped into or lost in some sewer sinker or closet and washed into the river. Mr. Davis is at any rate glad to get the watch back.

A DAILY THOUGHT.

To prize health as contagious happiness, wealth as potential service, reputation as latent influence, learning for the light it can shed, power for the help it can give, station for the good it can do.—William DeWitt Hyde.

The strike trouble in Pennsylvania according to late reports is about to be settled. The disagreement, it is said, started over a year ago, and was caused by the organization of a new union in one of the plants, resulting in some of the men violating an agreement to work for one year on nonunion men. The man who organized the new union was discharged, and this brought on the trouble. A Pittsburgh dispatch in explaining the cause which led to the threatened strike, says:

"The McKeesport trouble is the first visible eruption of a condition that has been developing for over a year, beginning with the formation of the American Sheet Steel company. The individual companies that were absorbed had no uniform plan of treating the workers. These in the association of Sheet Steel Manufacturers employed and recognized union labor. Those outside were non-union. The combine took in all. When it came to a settlement of a scale last year the Amalgamated Association demanded that their scale be signed for all mills. This the company refused, claiming that in some mills the non-union men were getting more than scale rates, and that it would be unfair to cut them down to that of organized labor. In the meantime, on May 13, the non-union men signed an agreement not to organize during the year, and providing that the wages that then ruled should continue during the year. The scale controversy, however, continued, and finally ended in an agreement that the scale apply only to the union mills. Since then the organization has been devoting its energies toward getting the sheet mill workers in the other nonunion mills organized, and for that purpose has considered the matter of throwing the mills 'open.' Mills that are 'open' are those in which organized men are permitted to work with nonunion men for the purpose of propagating the seeds of unionism. The formation of the United States Steel Corporation tended to complicate matters. It included a number of concerns, nonunion and organized, making manifest the difficulties of the labor leaders."

There is a rapid growth in the American churches. Last year there was in the United States alone a gain of 214,846 communicants. During the past ten years there has been a gain of 7,000,000 in all the churches, and during the century, there has been a gain of from 2,651 ministers, 3,030 churches, and 264,872 communicants to 154,228 ministers, 191,348 churches, and 27,422,025 communicants.

Li Hung Chang does not consider the evidence of Christians sufficient to condemn a Chinaman, but it seems that there are a number of things the wily Old Li is about to find out, one of which is that he has fooled the Christians once too often.

NOT HEREDITARY

In the main, consumption is not hereditary; it is infectious. People are too afraid of heredity; better not think of the subject at all. Infection occurs continually.

Low vital force is hereditary; which gives consumption its chance. And infection plants it.

Between the two, the crop is a big one: about one-sixth of the human race, so far as is known.

We suppose it needn't be 5 per cent, if people would take fair care and Scott's emulsion of cod-liver oil.

The care saves life in all ways; the emulsion is specially aimed at the lungs, beside its general food-effect.

We stand you a little to try, if you like.
 SCOTT & BOWNE, 409 East 42nd Street, New York.

KILLING IN MARSHALL.

THE CAUSE OF THE DIFFICULTY CANNOT BE DETERMINED.

Newton, April 19.—Abe Caldwell, colored, was shot and killed at Birmingham, this county, by John Whitfield.

There seems to be, at present, a diversion of opinions as to the shot—some claiming that it was accidental, the negro who did the shooting claiming that he did not know the gun was loaded, and was playing with it when it was accidentally discharged; but it is generally believed that a row was on as the result of a game; the cards were promiscuously scattered over the ground, and a nephew of the wounded man attempted to shoot the Whitfield negro after he had the deed.

Whitfield escaped but was pursued by the city marshal of Birmingham and captured just below Benton on the Benton and Paducah road, having walked back to that city and returned here Tuesday where he was locked up.

BACK TO CHESTER.

JOHN LEMLEY, THE AGED CONVICT, MUST RETURN TO THE PENITENTIARY.

[John] Lemley, the aged ex-convict, keeper of Brookport, Ill., who was convicted of killing Ben Laidl a few years ago, and who was released from the Chester penitentiary several months ago pending habeas corpus proceedings, must return to prison.

He has been enjoying his liberty in Metropolis and Brookport, happy in the expectation that on account of his technicality he would never have to go back. The supreme court a few days ago passed adversely on a similar case, however, and when the habeas corpus case was called in the Metropolis circuit court yesterday, it was decided Lemley would have to return to Chester.

It is more than probable, however, that he will secure a pardon. The sympathy of everybody seems to be with him.

The scene around the old man's home at Brookport since the unexpected news came that he would have to resume his sentence of life imprisonment, was as if death had invaded the home. Lemley has been a watchman at Margrove's mill since he returned, and the good wishes of everybody were offered him as a balm to heal the wounds of adversity, inflicted on the unfortunate old citizen during his recent years of trouble and imprisonment.

HILLMAN LAND.

PORTION OF IT SOLD TO ST. LOUIS CAPITALISTS.

Cadia, Ky., April 19.—Tenny Hillman, of Birmingham, Ala., and his sister, Mrs. Franklin, of Nashville, have each sold their one-seventh interest in the Daniel Hillman lands in Trigg and Lyon counties, embracing several thousand acres of mineral and timbered land. St. Louis capitalists were the purchasers, and the deal was made through S. N. Leonard, of Edinville.

It has been reported that White, Dixon & Co. had bought all the land belonging to the Hillman estate, but this is not true, and Mr. W. O. White, a member of the firm, says there have not even been any negotiations between his firm and the representatives of the Hillman heirs.

ELECTED FIRST VICE.

MR. WILL G. McFADDEN HONORED BY THE ASSOCIATION OF PHOTOGRAPHERS.

Mr. W. G. McFadden, the photographer, who has been in Nashville attending the first annual convention of Kentucky and Tennessee photographers, which ended yesterday, was elected first vice president of the association, a position he will no doubt fill with great credit to himself.

As an evidence of the esteem in which he is held, and of the appreciation of the valuable services he has rendered the association, he was presented with a fine gold-headed umbrella.

Mr. McFadden will return home Monday.

SWEENEY TRAGEDY.

MURDERED WOMAN HAS RELATIVES IN PADUCAH.

Domestic Troubles Led to the Sensational Murder and Suicide at Chicago.

Mrs. Chas. Sweeney, who was killed by her husband at Chicago yesterday, was a cousin of Mr. W. A. Martin, the well known tobaccoist, of Madison and Tenth streets, the city.

She was a daughter of Mr. T. M. Morgan, a well-to-do merchant at Greenville, Ky., but with her husband had been living in Nashville for the past year. A few weeks ago Mrs. Sweeney returned to Greenville, it is said, and brought suit for divorce, and then went to Chicago on a visit to her sister, Mrs. W. L. Phillips, followed by Sweeney, who had previously threatened to kill her.

Yesterday soon after breakfast Mrs. Phillips went down town to do some shopping and a little later Sweeney, who, it is presumed, arrived the night before, called at the apartments in Duquesne flats and was admitted by Mrs. Phillips' six-year-old son. He asked for his wife, and, hearing his voice, she appeared. Seizing her he drew a revolver and told the boy to run. Before the terrified woman could scream Sweeney sent a bullet through her brain, killing her instantly. Placing the weapon to his own head he fired and dropped dead beside the body of his wife.

The remains of the murdered woman will be taken to Greenville, where great excitement was caused by news of the tragedy, for interment.

VETERAN RETURNS.

HE IS STRANDED IN LEXINGTON AND SAYS HE IS FROM McCRACKEN.

A Lexington telegram says: "James Kuey and wife, of McCracken county, were found wandering about the streets here last night in the rain and taken in charge by the police. Kuey is a Confederate veteran, having served in Cobb's battery of the Orphan brigade. They had been to Florida, but are returning, he says, to die in Kentucky. The couple became stranded on reaching this point."

Mr. W. H. Patterson, who was in Cobb's battery, does not remember such a man, and none of the Confederate veterans could be found who have any recollection of him.

HEART TROUBLE.

DEATH LAST NIGHT OF MRS. JOHN DAWES, AT SHARPE.

Mrs. Laura Dawes, wife of Mr. John Dawes, died last night at her home in Sharpe, Marshall county, from heart disease, after a month's illness. She was 30 years old, and leaves besides a husband, four small children. The remains were buried today at Bethlehem cemetery.

There is more catarrh in this section of the country than all other diseases put together, and until the last few years was supposed to be incurable. For a great many years doctors pronounced it a local disease, and prescribed local remedies, and by constantly failing to cure with local treatment, pronounced it incurable. Science has proven catarrh to be a constitutional disease, and therefore requires constitutional treatment. Infall's Catarrh Cure, manufactured by F. J. Cheney & Co., Toledo, Ohio, is the only constitutional cure on the market. It is taken internally in doses from 10 drops to a teaspoonful. It acts directly on the blood and mucous surfaces of the system. They offer one hundred dollars for any case it fails to cure. Send for circulars and testimonials.

BONIFACIO CONVICTED.

HE AND HIS PARTNER WILL SOON BE TOGETHER AGAIN IN HAPPY REUNION.

Several weeks ago L. C. Bonifacio and W. F. Hurd, two white men, were arrested for stealing a garment from a "dummy" at Mr. J. J. Dorrin's, and selling it to a second hand dealer.

Bonifacio turned out to be wanted at Morganfield for breaking into Attorney H. Morton's residence, and day before yesterday was convicted and given two years.

Yesterday his partner, in the circuit court here, was given three years, hence the two crooks will shortly have a joyful reunion at Edinville.

JUSTICE BARBER'S COURT.

Justice Barber will try a case in volving the ownership of a large lot on the 20th of next month. Constable Alex Patton attached a large lot in February belonging to Captain A. A. He claims the large was taken to Colombia and the hull covered. Captain O. Bauer, who bought the boat, now claims the large and retained possession of it.

A BOWLING MATCH.

A ten pin contest will take place at 8 o'clock this evening at the bowling alley between ten of the best players in the city. Fifty games, five for each man, will be played. WILL GET A HOLIDAY.

Ulysses, from the mouth of the Smithland, accompanied by his clay bank squirrel dog, Jim, were in the city yesterday on a short visit. Jim evidently must have paid his first visit to Paducah as he would run up to every telephone pole he came to and bark as if he had treed a squirrel.

The St. Louis Republic says: "Colonel Hunter Bon Jenkins, of St. Louis, is having a big picture of the 1849 fire mounted for his office on the Diamond J line wharfboat. It is the only reproduction of the disastrous conflagration in existence, having been taken while the blaze was at its height. The memorable occurrence resulted in the loss along the levee of 23 steamboats, 500 houses and a number of wharves, causing losses that ran way into the millions." The Republic could have added that the picture taken while at its height in the great marine holocaust at St. Louis in 1849 can be found in Lloyd's old history of navigation, which is said by old river men who were in St. Louis on that eventful occasion to be a very correct picture and taken at the time the fire was at its zenith.

STUART'S DYSPEPSIA TABLETS

GIVE PERFECT DIGESTION. SOUND SLEEP. STRONG NERVES.

A Popular Remedy for Dyspepsia Which Has Made Many Remarkable Cures.

The spring of the year is the time for blood purifiers. It is the season when we think we must do ourselves with sarsaparilla, bitters and the endless list of so-called blood purifiers and nerve tonics.

As a matter of fact, there is but one possible way in which to purify the blood and that is, through the stomach and bowels.

Pure blood results from wholesome food thoroughly digested. Impure blood results from poor digestion and assimilation. When the stomach refuses to work properly the food remains too long a time, fermenting, forming gases, shown by sour, bitter taste in the mouth, bloating and belching of gas, and distress and discomfort generally. Poor blood, weak nerves, sleeplessness and a general don't care feeling can always be traced to imperfect digestion.

This is the reason why Stuart's Dyspepsia Tablets are superior to all other spring medicines and blood purifiers. They give perfect digestion, the food does not lie in the stomach for hours. They give a vigorous appetite, sound sleep, strong nerves, and wholesome food well digested makes pure blood, and in no other way can the blood be purified. The idea that a medicine, in itself, will purify the blood, when the stomach and digestive organs are out of order is nonsense. Stuart's Dyspepsia Tablets are used by thousands in preference to "bitters," "after dinner pills" and "blood purifiers" because they remove the cause of the impure blood, and you do not have to take them forever to get results. Dyspepsia is an obstinate disease to cure and a remedy must be designed especially for it and nothing else. Cure-alls will not cure dyspepsia.

RAILROAD NOTES.

MR. ROBT. FULMER APPOINTED FOREMAN OF MACHINE SHOPS.

President Lish Expected Former Yard Master W. L. Surran Here on a Visit.

Mr. Robert Fulmer has been ap-pointed foreman of the machine shops to succeed Mr. Frank Norman, re-signed. Mr. Fulmer has been in the service of the Illinois Central here for several years, is popular with the men, and is fully competent to fill his new appointment. Mr. Norman will probably go into business here.

The special coach carrying Pres-ident Shugrue and Fish and the board of directors of the Illinois Central, is expected through daily. The depot and train dispatcher's office and other Illinois Central buildings are in the very best condition and no doubt will present as pleasing an appearance as those in any city on the system.

An extra coach, containing twenty tourists en route to Monterey, Cal., was attached to the south bound train last night, most of the passengers were from Cincinnati. A new line has been opened up from San Fran-cisco and Los Angeles on the South-ern Pacific road and the tourists are taking advantage of the excellent new arrangements.

Ground will next Monday be broken for the new railroad from Callis to Grace, and grading will begin Tuesday. The breaking of ground is to be quite an event at Callis, marked by brass band music, addresses by prominent men, and interesting cere-monies. It is thought five months will be required to build the road.

Mr. W. L. Surran is visiting friends here. Mr. Surran was until a few months ago general yardmaster of the Illinois Central here, but is now with the L. and N. at Middleboro, in the mountains. Becoming a "mountaineer" has not changed him in the least, for he is the same genial, whole-some fellow, and his many friends are glad to have him back, if only for a few days. He has been attending court at Greenville, and will remain in Paducah until Monday.

Traveling Passenger Agent R. H. Fowler, of the Illinois Central, was in the city today.

Mr. E. J. Knickerbocker, of the C. & E. L., is in the city today on busi-ness.

Special Agent Wm. J. Laffey, of the Illinois Central, was in the city to-day on business.

You cannot afford to mis-take the next issue of The Sunday Chat. It will be the last number yet. The special features are splendid.

Miss McCammon has been visiting her sister, Mrs. El Drennen, at the New Richmond House, and left the hotel in company with Mr. and Mrs. J. F. Tanner, of Twelfth and Court streets, about 5 o'clock yester-day afternoon.
